To my favorite cousin:

I hope you have all the success and happiness that can possibly come your way and I'm sure you can achieve ^{much}, so don't let me down. I know you are going to make us all very proud of you someday.

May our friendship continue right on through the years - I never had a brother but I'm sure if I had I would have wanted him to be just like you.

Let's play Tennis a lot this summer.

Love,
Beck

Tony,
I have
enjoyed being
in your room this
year. I'm looking forward to
being in your
room in the years past of luck,
Brenda Boyd
(Zommo Band)

So Tony,
you are one of the nicest
boys I have ever met. Stay that
way and you'll go along way.
This is wishing you lots of luck
and happiness also good grades in the
future at G. H. S. I hope we will
be in a few classes together next
year, if only in music.
Lots of Luck,
Pat

FOREWORD

With a theme asking, "What is Grainger High School," we have tried to present throughout this book a true picture of Grainger High School's student life. We present it hoping that it will be a treasury of memories for you through the years to come.

We have attempted to capture the varied facets of student life . . . classmates, friends, teachers, athletic teams, music department, Junior-Senior, and the superlatives.

It is with a great deal of pride, but also a feeling of humility that we present to you, the students of Grainger High School, the 1957 Kay Aitch Ess.

DEBBY and BOB

IN MEMORIAM

MAJOR W. A. GRAHAM, 1882-1956, Beloved Superintendent of the Kinston Grade Schools from 1927 to 1945. His constant concern was the welfare and happiness of others. He was an able administrator whose ambition was to serve. Fearless leader in the cause of right, sympathetic counselor, true friend, he "did justly, loved mercy, and walked humbly with his God."

Administration

What is Grainger High School? Many students feel that G. H. S. is a big, empty, brick building. They have never stopped to realize that they are the ones who give it its life. It is only a bare building until it is filled with youthful voices, bright dresses, and colorful posters. It seems to be dead until its corridors are filled with happy voices, ringing with enthusiasm. There are many reasons for a student to appreciate Grainger High School.

Some of the people with whom we associate in high school are naturally sought out as guides and friends because of their valuable counsel and comradeship. Such a person is the one to whom this annual is dedicated.

She has gained our admiration and respect by her genuine interest and loyalty to us. Through association with her, one sees the deep concern she has for all her students. She demonstrates a faith in youth that inspires them to do only their best.

It is with deepest appreciation and gratitude that we, the senior class of nineteen hundred and fifty-seven, do dedicate this, the thirty-second volume of the Kay Aitch Ess, to

ADMINISTRATION

Adult Guidance

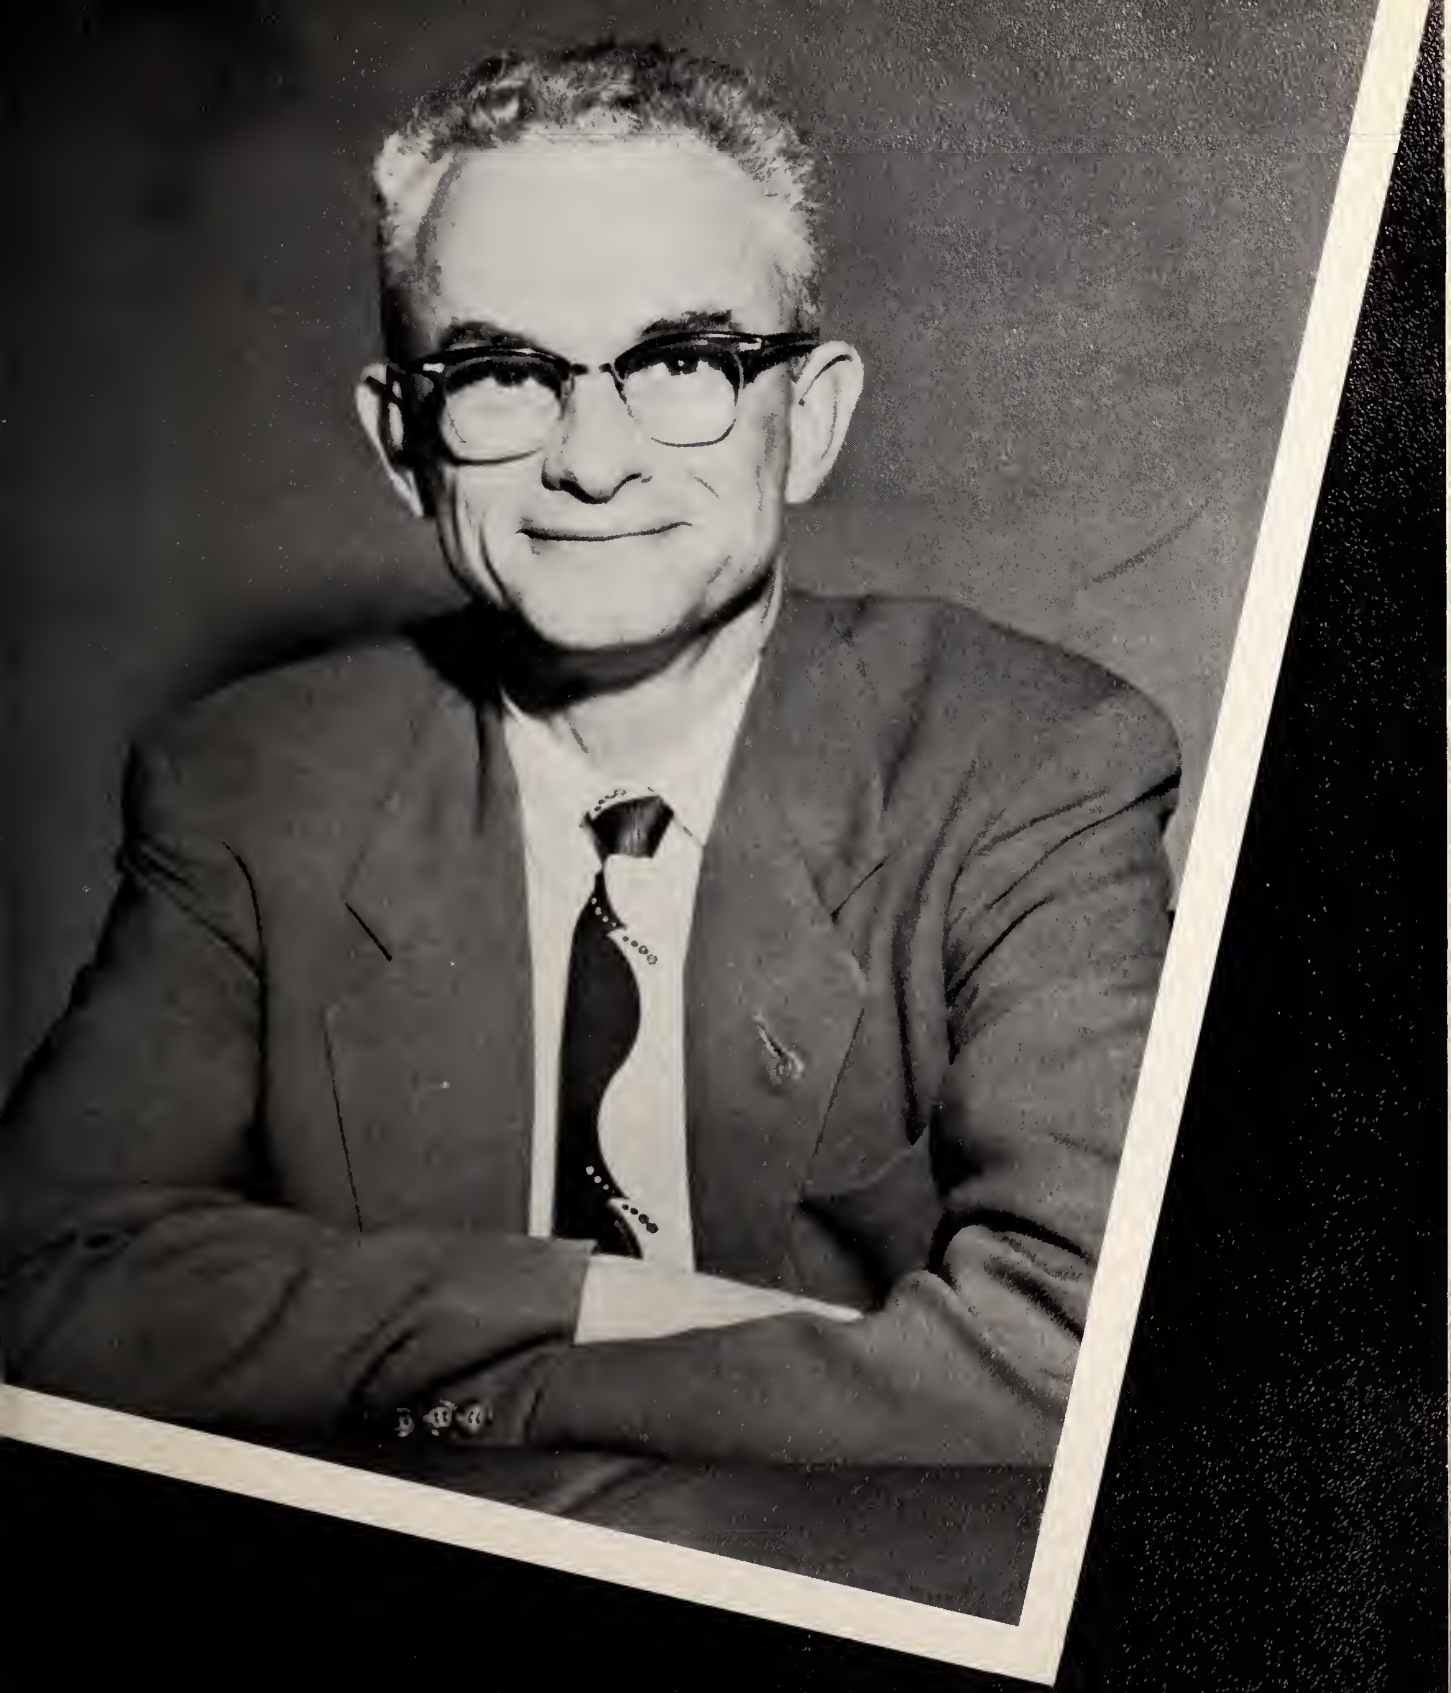

Often we will stop to think about the time when our teachers stayed with us after school, explaining something we didn't understand or helping us plan our careers and map out our plans for the future. Certainly their stories from personal experiences will have an effect upon us that we will not realize for quite a while. Each of them holds great plans for each of us, and we will do our best to try to live up to these expectations.

MISS CARLOTTA NEWBORN

Regretfully do we say adieu to Miss Carlotta—we won't say goodbye for she has been too long an important part of our school system for us to make our break so final. Before she became secretary to our former Superintendents of Schools, K. R. Curtis and Major W. A. Graham, she served many years as a teacher in the Kinston schools. After the resignation of Major Graham she continued her services under his successor, Mr. Jean P. Booth, until ill health compelled her to resign on December 31, 1956. We are saddened to lose her in this capacity, but we hope she will continue to visit us often and make us glad with her cheerful smile.

The Public Speakers Club promotes an interest in forensics and it gives interested students an opportunity to speak and debate both publicly and among themselves. This club is the channel through which students gain admission to the National Forensic League. The Public Speakers Club and the National Forensic League work together in sponsoring speaking sessions and contests. At these sessions points toward National Forensic League membership are acquired. Points are awarded according to value of the speech and delivery.

TEACHER IS PRISONER

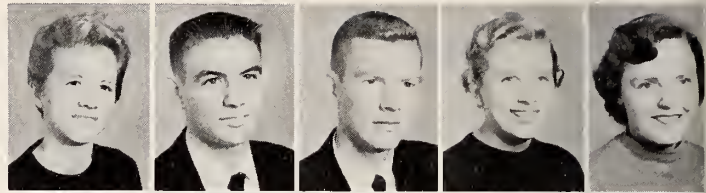

Paula Lee Jones, the new education teacher, stayed at the school for seven p.m. on September 15. She would have left at eight o'clock the next day, but the G. A. A. hadn't had their meeting that night. Mrs. Jones was working on a project that afternoon and the building was locked when she was unable to leave. She couldn't call home because the office was locked, so she finally decided she was a prisoner of school.

LIBRARY CLUB

Grainger High School's new, spacious, and modernistic library has added much to our school and has provided an added incentive to high school students interested in library work.

Students choosing library as an elective course compose the Library Club. These students work as library assistants one period each day, earning one-half unit of scholastic credit. Every Friday at activity period the group meets for class discussion and explanation of library work.

The purpose of the library club is to teach students how to use and appreciate all libraries and to help develop the reading habit.

This year several students have assisted in the library at sixth period receiving no scholastic credit but much practical knowledge.

MUSIC

THE JOY OF SONG

"Say it with music" . . . Through the years man has used music to make known such feelings as love, sadness, happiness, or disappointment. Rock 'n Roll, pop and the great symphonies have helped to display these emotions. The experiences had through singing and instrumental playing during high school days will be remembered and treasured many days from now.

For THE GRAINGER HIGH SINGERS, the year 1957 has been an exciting one . . . with many appearances before civic groups in Kinston, Fayetteville, Raleigh, and other cities . . . our annual Christmas Concert . . . the Spring Concert . . . and programs at military bases.

The officers have done an outstanding job this year. Pictured above, they are: Nancy Hearn, Chorusmaster; Martha Ann Rouse, Assistant; Marti Wade, Librarian; and C. L. Hardy, Manager.

As the school year closes, THE GRAINGER HIGH SINGERS look forward to their appearance before Kiwanis International in Atlantic City at the convention late in June.

A variety of uniforms decked our SINGERS and helped us win friends and influence people.

THE THRILL OF COMPETITION

The thrill of competition is felt in all sports battles by spectators and players alike. The defense of the State Championship, the fight to upset a highly-rated team, the gaily-decorated field, the marching bands, the last minutes of a tied-up basketball game, the tenseness of a baseball field when the score is tied and a pinch-hitter is put in to try for that all-important hit to save the game—these memories of the thrill of competition will long be remembered by all.

The 1956 Grainger High School football team proved to be a fairly successful outfit, as Coach Frank Mock molded his veterans and newcomers into a well-rounded squad. The Red Devils finished the season with a record of 5 wins and 5 losses. Although the Devils didn't win the Northeastern Conference title as they did last year, they showed their power by defeating the highly-rated New Bern team (13-0), which proved to be about the most exciting game of the season.

Captains were elected before each game, and at the end of the season David Adkins and Steve Creech were elected honorary captains.

1956 - 57 RED DEVILS

From the opening game in Fayetteville to the end of the regular season, the high flying "Red Devils" never encountered serious opposition. They had breezed past six AAA teams and eleven AA teams, and had been declared conference champions when the annual went to press. At this stage it looked as if the Red men were going to get a "crack" at their third straight State Championship in the State AA Tournament.

Coaches Amos Sexton was greeted at the beginning of the season by six returning lettermen. Eight members from last year's Junior Varsity squad were added to make up his fourteen man team. Averaging over seventy points per game, the Red Devils needed only to defeat Greenville in order to become the first team in the history of Grainger High School to go undefeated through a regular season.

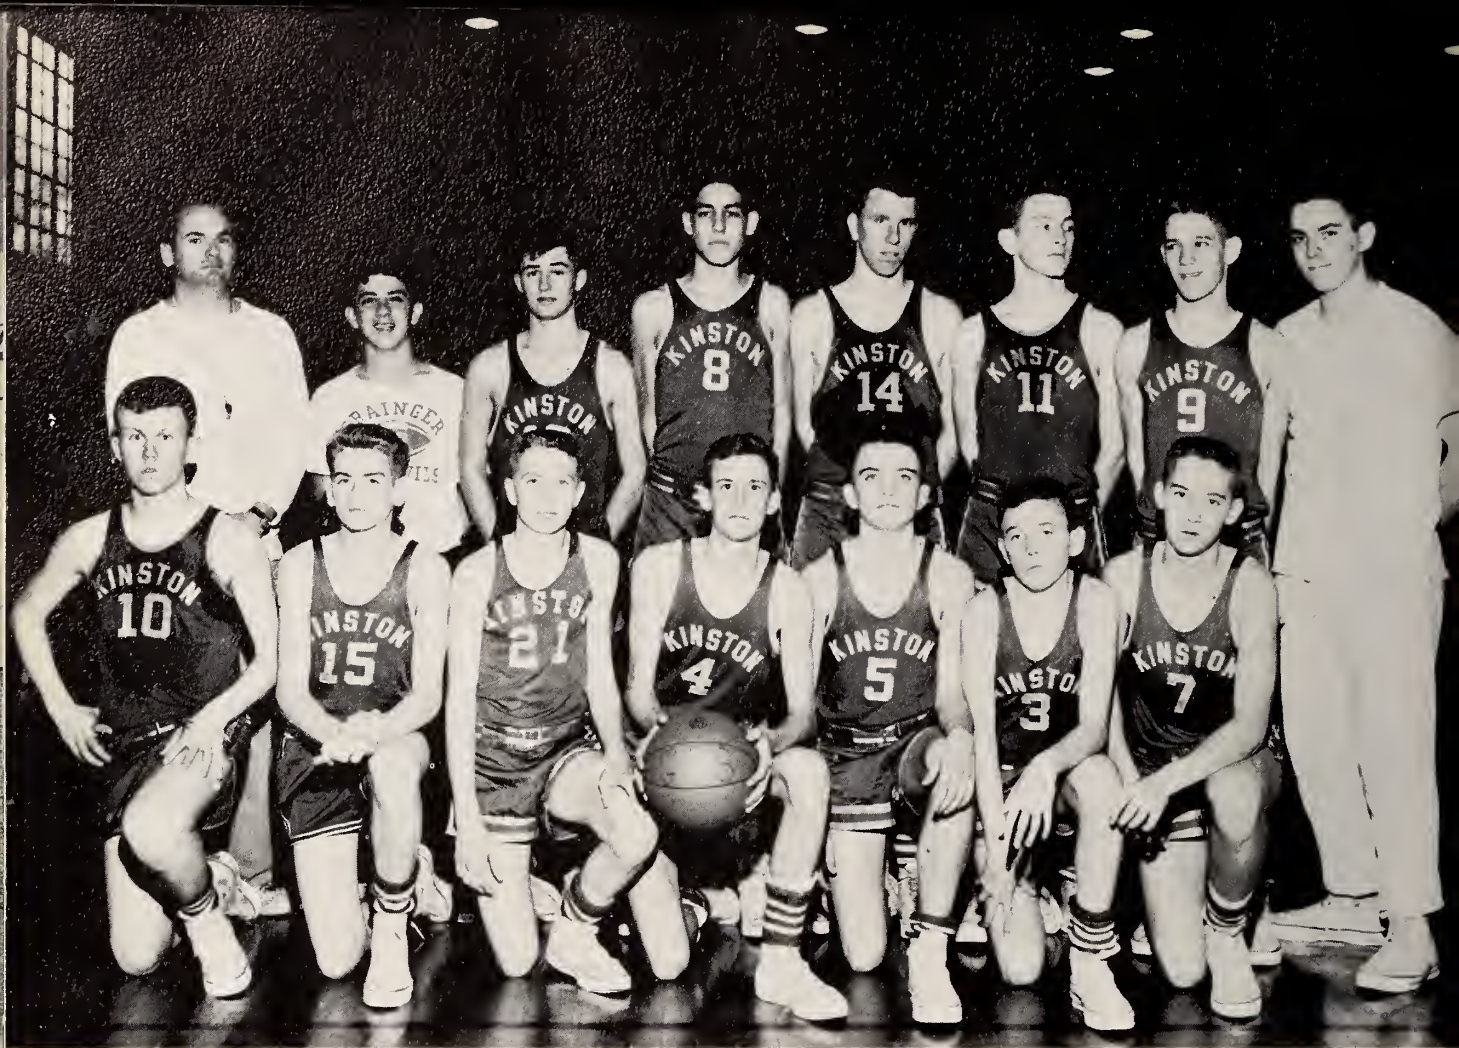

As the annual went to press, Charles Lewis was the leading scorer with a 16.2 average. Bobby Stanley and Eion Faelten were leading in the rebound department, and David Adkins and Alley Hart were the masters of Kinston's deadly fast break. As in football, captains were elected before each game, and honorary captains were elected at the end of the season.

GIRLS' ATHLETIC ASSOCIATION

The purpose of the Girls Athletic Association is to encourage proper attitude toward athletics, to advance physical efficiency among the girl student body, and to promote health, physical efficiency and development of good sportsmanship.

For participation in basketball, volleyball, and softball, the club was divided into the Red Team and the White Team.

WHITE TEAM—Left to right: T. Brown, F. DeBruhl, B. Rouse, J. Kelly, G. Gwaltney, L. Joslyn, B. Stroud, S. A. Bland, B. J. Jenkins, D. Sewell, S. S. Worthington, C. Wooten, L. Keffer, E. Taylor, K. Tyndall, F. Smith, L. Tyndall, J. Southall, P. Tyndall, B. Whitehurst, P. Casey, D. Farmer, H. Ferrell.

Left to right: Linda Vick, President; Miss Hilda Jordan, Advisor; Pat Simpson, Vice President; Miss Linda Jones, Advisor; Sylvia Edmunds, Treasurer; Harriet Maeder, Points Chairman; Mary Jenny Irby, Secretary.

VARSITY CHEERLEADERS

Left to right: Jean Arthur, Connie Schmidt, Marie Sutton, Carolyn Montgomery, Jimi McDaniel, CHIEF, POLLY WOOTEN; Linda Vick, Sadie Sue Worthington, Nina Spence, Anne Landauer, Marsha Brody.

Pep, spirit, a happy expression, and the ability to learn yells are the main factors determining which girls become varsity cheerleaders. Each Spring the newly elected "chief" and Colon Byrd, Advisor, choose these ten girls.

Being on the squad means much to a varsity cheerleader. She learns self-confidence, self-control, and good sportsmanship. Working hard and learning to take criticism aid her in putting all she has into cheering at the games.

The Kinston squad is considered one of the best in the state. Much of the credit for this honor must be given to their advisor and coach, Colon Byrd. He has spent many hours and untiring energy putting the girls through their paces.

Because of the keen competition in choosing a squad and the hard work in keeping it in shape, Kinston varsity cheerleaders get deep satisfaction rather than glory.

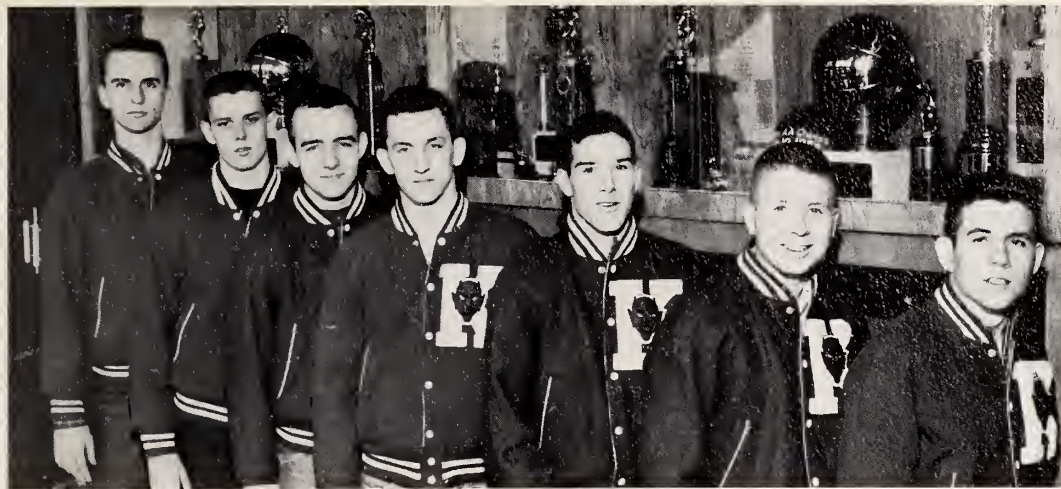

Jo Ann Sutton, Janelle Childress, Erwin Parrott, Virginia Dixon, Frankie Kennedy, CHIEF, ANNE HARDY; Steva Roark, Ruth Bowles, Ida Walker, Sylvia Edmonds, Dianne Hardy.

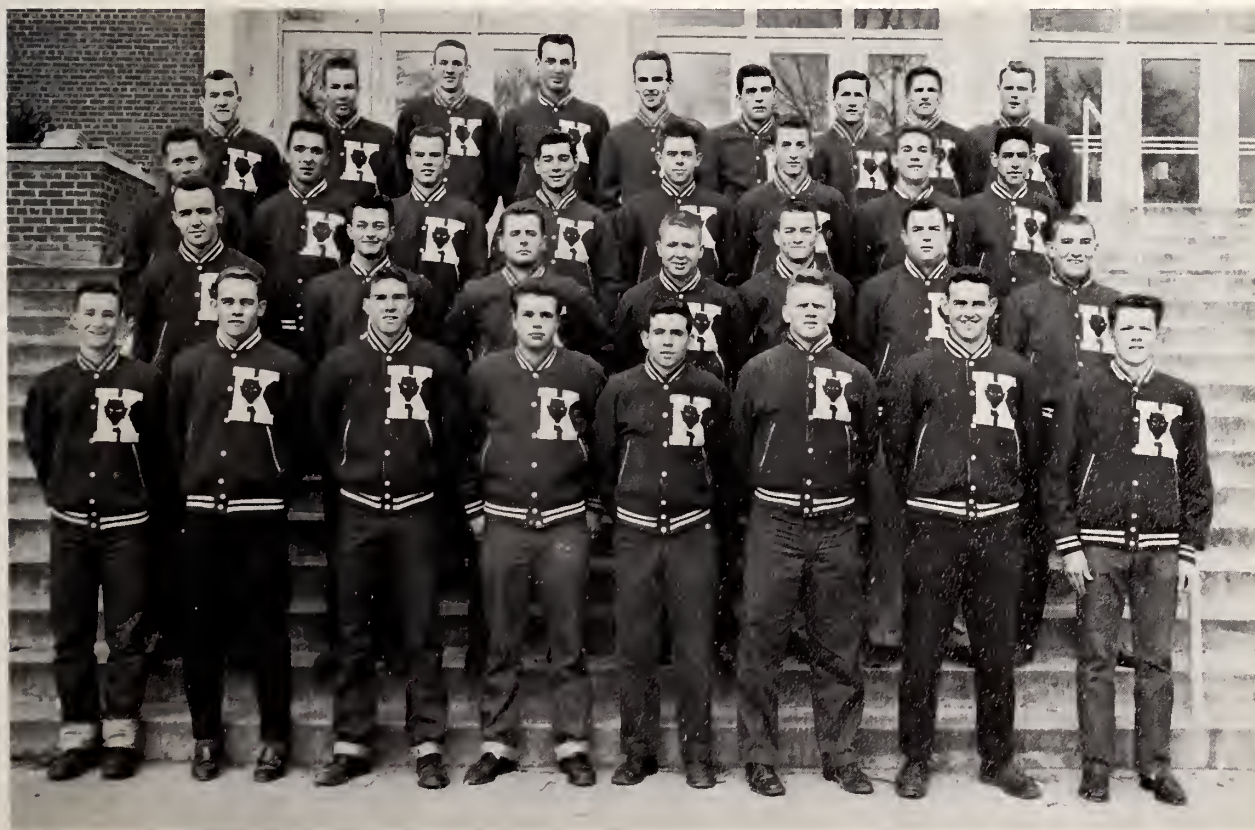

JUNIOR VARSITY CHEERLEADERS

Approximately one-hundred girls in the ninth and tenth grades try out for Junior Varsity Cheerleading, every fall. After they practice vigorously for several weeks; Colon Byrd, cheerleader advisor, chooses the girl who he thinks meets all the requirements for being a good cheerleader. Mr. Byrd then chooses ten other well qualified girls to assist the chief in cheerleading at the Junior Varsity football games. Some of the requirements for being a cheerleader are pep, co-ordination and energy. The girls practice several days each week and continu to develop new yells.

E. Faelton, Vice President; C. Lewis, Constitution Chairman; J. Laws, Secretary-Treasurer; D. Adkins, President; Alley Hart, Social Chairman; L. Cummings, Sergeant-at-Arms; R. Baldree, Concessions Chairman.

The Varsity "K" Club is composed of boys who have participated in sixteen quarters of football, thirty-two quarters of basketball, or five games of baseball. Upon election to the club each boy is awarded a "K" jacket which the club buys with profits from the concession stand operated by the group during the basketball season.

First row, left to right: Billy Haskins, Billy Cooke, Alley Hart, Allen Gardner, Ricky Baldree, Bobby Alexander, Larry Croom, Kenneth Brigman. Second row: John Laws, Milton Williams, Charles Hill, Lloyd Cummings, Gene Anderson, John Cutler, Ranny Jones. Third row: Eddie Taylor, James Brake, Billy Thornton, Bob Moore, Verner Abbott, David Adkins, Bobby Hill, Jimmy Hearn. Fourth row: Steve Creech, Louie Pollock, Herbert Hilsinger, Tony Kelly, Eion Faelton, Bobby Stanley, John Southerland, Delbert Deters, Bob Church.

HOMECOMING

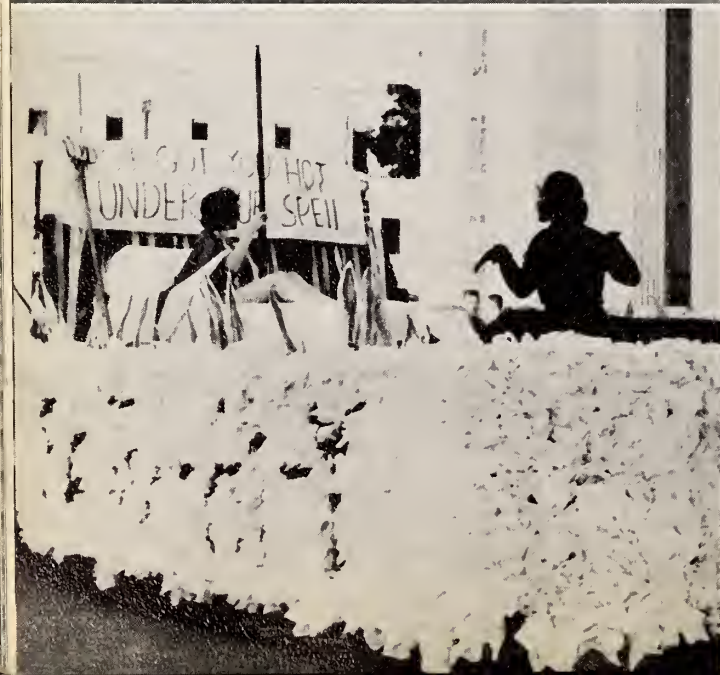

Each year the homecoming game marks the climax of the football season. The festivities begin with a gala parade down Queen Street, with floats which are sponsored by many clubs, the visiting team—their band and cheerleaders, as well as our own participating. Of course the real excitement is the game itself. Seeing friends home from college is as important as cheering our team to victory. Thus is homecoming.

THE HONOR OF THE SUPERLATIVE

Perhaps the highest honor a student can receive is that of being awarded a superlative title by his classmates. To be voted "Best All Around" or "Most Likely to Succeed" by the Senior Class is an honor that only a few ever obtain. This honor is certainly a fitting reward and a high compliment to the senior who receives it.

OPPORTUNITY LIES AHEAD

Congratulations, graduates! You have reached an important mark in life. Remember how often you have dreamed of graduation time? Now it has arrived; and you are on the threshold of opportunity—in a land where opportunity abounds.

This is a time of decision, too. Not only your own future, but the future of America, depends upon what you decide to do with your life. Our great, free nation was built by others like you. We believe the Class of 1957 will do its part to protect our freedom and to help America continue to grow.
